A note from Robinson resident, Martina Bourland:

My name is Martina Bourland. I have been nominated to go to Europe with the Kansas, Kansas City Ambassadors of Music European concert tour. I am asking for donations to help fund my trip. There is a donation can at the Robinson Store. If you can help me make this once in a life time trip, I will be playing with other Kansas students. I will be gone for 16 days playing in England, France, Switzerland, Liechtenstein, Austria, Italy, and Germany. Thank you for your support. Martina

From the Editors:

The USPS cut the hours of service in the Robinson Post Office to 4 hours because the post office was not doing enough over-the-counter money transactions. Consequently the residents in the Robinson area now have half the amount of time to use the post office, but ideally seemingly from the USPS's perspective the over-the-counter money transactions should increase—Go figure!

As two people who enjoy having the services of a post office in our "hamlet" of Robinson, Kansas, we (Robert and Betty) would be happy to assist those whose work schedule conflicts with the window hours of the post office. If you have a conflict in timing, we can help buy stamps in quantity or mail packages. You can contact us by calling 544-7707, or by stopping by our house. Small quantities of stamps are also available for purchase at the Robinson Community Store.
