

A note from Angie Muckey about the 36 Highway Treasure Hunt follows:

It is getting close to the 10th annual 36 Highway Treasure Hunt. The dates for this year's border to border sales are September 18th, 19th, and 20th. I will be putting together a printable PDF document and a Google Maps version of our sales and activities here in Robinson. If you plan to have a sale and would like to be included I need to have plans sent to the coordinator before the deadline of August 26th. Please let me know if you would like to have your garage/yard sale listed on the map. They ask that you give the address, hours, and days the sale will be open and about 10 items... that is simply to allow potential buyers to see what we have available. Thank you in advance and best wishes on your sales this year. If you need more information you can call me at 544-6630.

Sharing faith-growing activities, sharing time together, sharing God's Word. It's that time again in Robinson!

The Robinson Community Church School after-school activities will begin Wednesday, September 2 in the Leland & Anna Newman Family Center at 124 Parsons Street (the building immediately to the north of the Bird Cage Theatre).

Activities for the children include lessons from the Bible, music, snacks, crafts, and special events. The program is for children preschool age 3 through 6th grade, and meets Wednesdays. This year the children that do not ride the school bus will be welcomed to come to church school at 4 p.m. Activities will begin when the school bus arrives. Activities will be scheduled to end at 5:30 p.m.

The Robinson Community Church School is a non-denominational program with volunteers and contributions from people throughout the community making a commitment to serve the children. For more information call Betty Kauffman (544-7707) or Glenda Edie (544-7764).

Congratulations to Claire Geiger and Dane Geiger who both have correct answers to the "Where and What" question in the July issue of The Robinson Voice—Kids Korner and a geodesic dome (a correct mathematical name). Another response that would have been accepted is from "Too old to play this game"—At the park and an icosahedral dome.

For youngsters of all ages: Identify the highway and the location of the sign in the photograph at the left. "Photo taken in 1925" covers information on the sign that describes its location. For a better view, please see the photo posted at the Robinson Community Store, or see the online edition of *The Voice* at RobinsonKansas.org. You may submit your entry at the Store or by mailing to *The Voice*.

For youngsters 13 years or younger: These creatures have appeared recently in Robinson.

1. What kind of butterfly will each of these caterpillars become?
2. What are the four stages in the life cycle of a butterfly?

For a better view, please see the photo posted at the Robinson Community Store, or see the online edition of *The Voice* at RobinsonKansas.org. You may submit your entry at the Store or by mailing to *The Voice*.
