

At the regular September meeting the members of the Robinson City Council expressed concern for the children of Robinson. They requested that the parents/guardians of the children be asked for their help. Fences have been completed around the lagoons and lift stations. Access to the lagoons and the lift stations is strictly limited to city personnel. Parents are asked to express to the children that the fences are for the safety of everyone and that they should not enter or attempt to enter these areas.

Busy hands of volunteers at the Upper Wolf Lutheran Church have been at work preparing projects for Lutheran World Relief. Many quilts, school kits, and baby care kits are projects that will soon be on their way to help those in need.

A "Thank you!" to all who attended The Bank of Robinson open house. The most distance traveled was from Santa Clara, CA and the least from Robinson, KS. Traffic through downtown Robinson was slow this year. Robert and Betty shall plan to do a better job of directing traffic with lawn and pole signs and getting handout maps to the participants on Golden Gate Street

A "Thank you!" continued from the previous column
next year. Even at that, there was a lot of local support this year and it was a joy to have Gertrude, Marge, and Sharen back at the bank (as well as the other non-bank employees who volunteered)!
Likewise a "Thank you!" to all who supported the Robinson Community Church School Fundraiser by setting up and taking down, donating items, and making purchases.

The BeDunnah Guest House and Collectibles:

The "Back to School-Backyard Party" at the BeDunnah Guest House was enjoyed by several of the town's children. It was a very HOT day, but everyone still had fun—especially with the water balloons!

The Guest House will be closed in October, opening again on November 1st from 1:00 p.m. to 3:00 p.m. Several Christmas items will be for sale in November. The Christmas Holiday Open House Gift Sale is scheduled for the weekend of December 5th & 6th.

Congratulations to Claire Geiger!

Claire's design was chosen for the "Take a Book Leave a Book—Little Free Library" design contest

which was sponsored by the Horton Public Library. Claire will receive \$100 as a result of her design being selected by the members of the Robinson City Council. The Horton Public Library received a "Literacy and Education in Action Program for Libraries" grant from Better World Books. This was a part of the library's community outreach project titled "We'll Bring the Library to You." Robinson was one of five neighboring cities not having its own library that was chosen. The Little Free Library is a global literacy movement which started in Hudson, WI with anticipation of there being 25,000 of the little structures around the world by the end of the year.

Horton High School students will construct the "Little Libraries" according to the designers' instructions. Robinson residents can look forward to seeing Claire's contribution to this project. Placement has not yet been determined.
