**Sharing faith-growing activities, sharing time together, sharing God's Word.** It's that time again in Robinson!

The Robinson Community Church School after-school activities will begin Wednesday, September 7 in the Leland & Anna Newman Family Center at 124 Parsons Street (the building immediately to the north of the Bird Cage Theatre).

Activities for the children include lessons from the Bible, music, snacks, crafts, and special events. The program is for children preschool age 3 through 6th grade, and meets Wednesdays. This year the children that do not ride the school bus will be welcomed to come to church school at 4 p.m. Activities will begin when the school bus arrives. Activities will be scheduled to end at 5:40 p.m.

The Robinson Community Church School is a non-denominational program with volunteers and contributions from people throughout the community making a commitment to serve the children. For more information call Betty Kauffman (544-7707) or Glenda Edie (544-7764).

**On June 30, 2016, ownership of the Bank of Robinson building which houses the Robinson Community Store officially changed hands.** The building had belonged to the Robinson Community Building Association (RCBA) for over 20 years having been purchased from the Morrill and Janes Bank after banking business ended in Robinson. The RCBA board of directors was approached several years ago about selling the property to a group wanting to promote Robinson. That group, consisting of some local and former residents and several of their friends who have visited and like the Robinson area, have formed a non-profit corporation called The Boys of Brown County, LLC. They plan to start on structural repairs to the building in the near future along with extensive remodeling of the former Masonic Lodge upstairs. The Robinson Community Store will be able to continue its operation in the building rent free as long as the location is needed for the store business. The Robinson Boy Scout troop also will be able to continue meeting in the bank side of the building as long as needed. The bank side is also available for public meetings and events such as the bank open house which has been held annually on the weekend of the US Hwy 36 Treasure Hunt each fall. The bank side of the building will also see some upgrades like new carpet and a nice conference table. The purchasers have expressed a desire to retain all the historic attributes of the building and also have some ideas of other ways to promote and preserve Robinson.

**A note from Angie Muckey about the 36 Highway Treasure Hunt follows:** It is getting close to the 10th annual 36 Highway Treasure Hunt. The dates for this year's border to border sales are September 16th, 17th, and 18th. I will be putting together a printable PDF document and a Google Maps version of our sales and activities here in Robinson. If you plan to have a sale and would like to be included I need to have plans sent to the coordinator before the deadline of August 24th. Please let me know if you would like to have your garage/yard sale listed on the map. They ask that you give the address, hours, and days the sale will be open and about 10 items... that is simply to allow potential buyers to see what we have available. Thank you in advance and best wishes on your sales this year. If you need more information you can call me at 544-6630.

Editors' note: If you have not participated before you can get a feeling for the scope of the Hwy 36 Treasure Hunt at <http://www.ushwy36.com>. Participants will be able to see information about sales and activities in Robinson after Angie uploads the PDF and map.

Thank You

Bill and Angie!

**Thank you to John and to John and to other postal employees** as they go above and beyond the call of duty as they deliver the mail and provide service to the community. Their efforts are appreciated! Five years ago this fall the USPS began a process to close smaller post offices. More than one hundred residents of the Robinson and Leona communities attended a meeting with a USPS representative. More than two hundred fifty signed a petition and many wrote letters to congressional representatives to support keeping the post office in Robinson. Support continues as area residents purchase stamps, send and receive letters and packages, and use other postal services. Convenient, necessary, and appreciated!
