Proceeds from sales will go toward service projects in the area.

Colorful warmth created for outreach by members of the Upper Wolf community.

The members of the Upper Wolf Lutheran Church community have been very busy during the past months in their charitable outreach activities. On Friday, October 7, 663 pounds of “giving items” were sent to Topeka. This included 58 quilts, 62 school kits, and 41 baby care kits which will be sent to Lutheran World Relief to assist people living in poverty in times of emergency or great need. (Detailed information can be found about this outreach and other projects at lwr.org)

Thank you for your outreach in the Robinson community and beyond!

Harvest is in full swing making lots of traffic through town. The caution of truckers as they make their way is much appreciated. There are many children (and four-legged friends) in town who can pop into the street very unexpectedly! Thank you to all for having a watchful eye as you drive through town.

A recent encounter with a vendor at Robinson's Community Store is a reminder for all to appreciate what is available in Robinson. The resident of Waterville commented "As small as you [the store] are, it's a real benefit. Living in Waterville, it's only four miles to drive to the store in Blue Rapids, but that's not very convenient when you want something quick." The store "works" because of the efforts of volunteers, because of the support of patrons, and because of community support through the first Sunday dinners. Thank you to all who shop, all who donate in various ways, and all who give their time to make it happen.

Changes continue with the building that houses the bank and the store. Especially noticeable are the second-story windows that are no longer boarded up!
