

Memorial Day honoring of veterans and loved ones will be Sunday, May 27. Lunch begins at 12:30 at the Robinson City Hall Community Center following a presentation made by a local student. Ham, coffee, tea, and table service will be provided. Participants are asked to bring side dishes and desserts to share unless an out-of-town visitor with Robinson “ties.” At 2:00 the ceremony to honor those who have served will be led at Rose Hill by members of the Hedrick-Moll Post of the American Legion. Everyone is welcome and encouraged to attend. As the turmoil in so many other countries continues to result in millions of people being displaced from their homes and in horrific acts of violence, this is an opportunity to show appreciation to the people (as well as

their families) who have sacrificed and those who continue to sacrifice time, health, and lives to serve the people of Robinson and of this nation.

2018 Memorial Day Dinner Program:

There continues to be a wonderful response to the following. There are still those who were not honored so we are asking for your help to gain photos and/or information about these special people who have served or are serving but were not included in previous programs.

If you have photos of yourself, family members, or friends who have served or are serving in the military or as support in the field (e.g. nurses, salvation army volunteers, etc.), it would be greatly appreciated if you would share these photos. If you have computer access, photos can be e-mailed to cardinal@rainbowtel.net. If you do not have access to a scanner and a computer, copies of photos can be mailed to P.O. Box 127, Robinson, KS and returned to you after they are scanned; or photos can be brought to Robert and Betty’s home and scanned while you wait. If you have any questions, please call Robert and Betty at 544-7707.

Editors' note: In your preparing for visitors and activities in Robinson for Memorial Day, we feel confident that the Rose Hill Cemetery board members will appreciate your assistance in "tidying up" and clearing the graveside memorials where needed on your family's burial lots. This is said in knowing that some of the "overly tired" memorials may still be considered "keepsakes" by the families.
