

**Longtime Lions Member Recognized**—The Melvin Jones Fellowship Award was honorably presented to a Robinson Lions member, Lion Verlan Penn, on Wednesday, Sept. 12.

Lions International recognizes outstanding individuals by bestowing on them this award that is named for the founder, Melvin Jones. This Fellowship Award is the highest form of recognition and embodies humanitarian ideas consistent with the nature and purpose of Lionism. The recipient of this award becomes a model because of the exemplary service to his club and the community for which it serves. This member represents humanitarian qualities, generosity, compassion and concern for the less fortunate. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

On this day, Penn also received his 25-year service of pin as a member of Robinson Lions Club. Also present was 2nd Vice District Governor Lion Rick Dodson of Leavenworth.

Penn was surprised with members of his family who came to his recognition and dinner.

President, Lion Judi Bruning, congratulates Lion Verlan Penn on his accomplishments. (Submitted)

**Mayor Responds to Citizen Concerns**—The following is an excerpt from the October 1, 2018 City Council Meeting Minutes. "Mayor Lieneman then proceeded to inform the council of an anonymous letter he had received in regards to the City Clerk. The letter alleged that it was illegal for the clerk to work from home, that there are safety and security issues. Mayor Lieneman first called LKM (the League of Kansas Municipalities) to verify the legality of the issue. LKM informed him that there is nothing illegal about working from home, they did suggest that the council be sure to add this to the job description and the employee handbook, and it is their recommendation that any work from home be logged separately from office hours. Councilwoman Muckey made a motion to add "Upon approval from the City Council, the City Clerk may be allowed to work from home. This arrangement may be terminated at any time as the council may deem necessary" to the City Clerk job description. The city doesn't currently have an employee handbook, but will look into this in the near future. Kelly has begun logging her hours at home with a brief description of what she is doing in those work hours. As far as compromising personal information, there is no personal information stored on the city's desk top computer or the city's laptop computer. All Social Security numbers and Driver's License numbers are kept on a hard file, locked up in the office. Bank account information is not stored on any of the city's computers either, and is stored only on the back end of the ACH communications. The city clerk does NOT conduct city business on a personal computer, nor does she use the city's laptop to conduct personal business. The City has a firewall in place. The city clerk is not authorized to sign any checks for the City of Robinson, all checks are signed by the Mayor and two council members, with Jake Wisdom as an alternate should one of the designated signees not be available to sign checks. Mr. Wisdom also serves as the city's paid treasurer and oversees all the books. Any information the clerk may take home to work on does not contain personal and or sensitive information."
